February 2016 news

Welcome to the Parakeet newsletter!

February was the biggest month ever for the Parakeets with a fantastic **50** children training on 28th! We tried out the brand new goal keeper kit and moved lots of our players up into the next age groups.

On 11th, Alex & Emma went to Featherstone High School to help run their QuickStix competition. It went brilliantly, with all the kids enjoying their hockey! We're now looking to host the event next year.

We wanted to wish Jojo Hedger in our U11s group good luck as her team at Mount Carmel RC School will be representing Ealing at the London Youth Games in Crystal Palace on March 10th! They were crowned borough champions on 25th February!

On the last weekend of term, we will have a special Easter egg hunt & tournaments for all age groups!

See you on Sunday!
