

PHC Chiswick Hockey Club

Welcome

Hello, if you are reading this then your club is likely to be playing against a PHC Chiswick team in the near future. This document hopefully has all the information that you will need ahead of the match, in particular if you are scheduled to play away against us. If there is any further information please feel free to contact via the relevant details at the end of this document.

Venues:

We are lucky enough to have access to two good pitches in West London, however as they are both in residential areas your team is asked to be mindful of the guidance on parking below and use public transport where possible.

Wetherby Pembridge Sports Ground Wood Lane (Wood Lane)

Address: Wetherby Pembridge Sports Ground Wood Lane, London. W12 0HJ. This is within the ULEZ – Entrance is opposite Caverswall Street. Please note that there is no access via any of the Ark Burlington Danes Academy entrances.

Tube: White City (Central Line) – 10 minutes walk to the ground.

Wood Lane (Hammersmith & City) - 10 minutes walk to the ground.

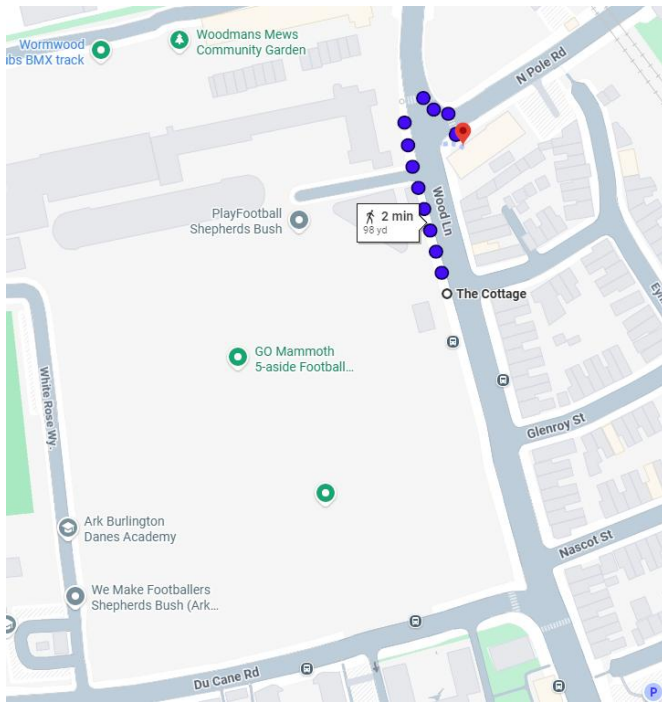

Bus: The 7, 70 and 220 buses all stop on Wood Lane which is a 3 minutes walk to the ground.

Car: Car parking in/around the ground is very limited therefore the use of public transport or cycling is strongly encouraged. There is a small amount of parking within the ground itself and all surrounding roads are permit holders or RingGo between 9am and 5pm on a Saturday at a rate of £3 per half hour. Free parking may be available outside of the parking zones in and around the surrounding streets within a walkable distance of the ground, though please pay attention to any signage and charges and park at your own risk. If parking at the ground, please note that cars must be moved from the small car park immediately after your game.

Changing rooms and toilet facilities: Available on site

Post-match hospitality – Will either be upstairs above the changing rooms on-site (most games) or for the last game of the day at the Pavillion pub whose details can be found later in the document. Please refer to the captains' email who will confirm which location will be applicable for your game.

Housekeeping - Please ensure that any water bottles and food wrappers or rubbish are placed in the bins provided and not left on the pitch.

The Pavillion Pub

Tube and Bus: As Wetherby Pembridge Sports Ground Wood Lane (above)

Car: There is a small pay car park for the pub that can be accessed from North Pole Road with parking refund available from the bar for minimum spend.

If there are no spaces left in the car park, you are not permitted to park anywhere in Boddington Gardens, including the lay-by by the entry to the car park. The nearest place to park is Carbery Avenue, where there are no parking restrictions in the evenings and at weekends.

Post-match hospitality

We are pleased to offer post-match hospitality to visiting teams and appointed umpires at the relevant venues.

To help us manage this process efficiently, and in line with league regulations, please could away teams confirm if they do not wish to receive any offered hospitality by 8pm on the Wednesday prior to the match by emailing the relevant captain and the two fixtures secretaries.

If you do not require teas and fail to confirm this in advance of the deadline we may be forced to recover the cost of the wasted teas from you in line with the league regulations.
